Call of the Wild

Accessories designed with Mother Nature in mind

We've scavenged everything from python to precious stones to bring you a men's and women's trove inspired by natural wonders. Crocodile straps, wooden accents, bug life baubles—it's a basic lesson in biology. So whether it's the animal or plant kingdom you fancy, you'll surely reign over the accessory landscape. —KIMBERLY DAVIS

Calvin Klein wooden frames by Marchon; \$240, 800.544.1336 and marchon.com.

The "Montbrillant Datora" timepiece by Breitling is crafted in steel with a Havana dial and brown crocodile strap. Features include day/month window and date indicator, 24-hour time display, and the time zones of the world's largest cities engraved on the back; \$5,035, Brown & Co. Jewelers.

Men
